### Provider Qualifications

#### Eligible Providers

Eligible providers may be individual practitioners or may be employed by home care agencies, children's developmental service agencies, health departments, Federally Qualified Health Centers (FQHC), clinics, or hospital outpatient facilities. The provider agency or the individual provider must verify that rendering providers meet the following qualifications:

**Speech-Language Pathologists** (SLPs) must have a current certification by the Colorado Department of Regulatory Agencies (DORA) pursuant to the [Speech-language Pathology Practice Act](#).

**Speech-Language Pathology Assistants** are support personnel who, following academic and/or on-the-job training, perform tasks prescribed, directed, and supervised by DORA-certified speech-language pathologists. Speech-language pathologists must follow the ASHA guidelines on the training, use, and supervision of assistants. (Assistants cannot render services under the Home Health benefit of the Medical Assistance Program.) **Speech-language pathology assistants** must practice under the general supervision of a Colorado registered speech-language pathologist.

**Clinical Fellows**, practicing under the general supervision of a DORA-certified speech-language pathologist may provide speech therapy services.

#### Provider Participation

Providers must be enrolled as a Colorado Medical Assistance Program provider in order to:

- Treat a Colorado Medical Assistance Program member
- Submit claims for payment to the Colorado Medical Assistance Program

All speech therapists must submit a completed provider enrollment packet to become a Colorado Medical Assistance Program provider. Providers will find enrollment information in the [Provider Services Enrollment](#) section of the Department's website ([colorado.gov/hcpf](http://colorado.gov/hcpf)). Enrollment documents may be downloaded and must be mailed to:

Xerox State Healthcare  
Colorado Medical Assistance Program Provider Enrollment  
PO Box 1100  
Denver, CO 80201-1100

Speech-language pathologists LPs not employed by an agency, clinic, hospital, or physician may bill the Colorado Medical Assistance Program directly. Providers should refer to the Code of Colorado Regulations, [Qualified Non-Physician Practitioners Eligible to Provide Physician's Services](#) (10 CCR 2505-10, Section 8.2003.C), for specific information when providing speech therapy.

All speech services must be medically necessary and prescribed by an M.D. or D.O., nurse practitioner or physician's assistant.

Educational, personal need, and comfort therapies are not covered speech therapy benefits for any member regardless of age.

For detailed coverage and service limitations, please refer to the [Speech-language and Hearing Services Benefit Coverage Standard](#) on the Department's website.

## Habilitative Speech Therapy

Habilitative therapy is a covered benefit for Medicaid expansion members ages 19 through 64 receiving benefits through the Alternative Benefits Plan (ABP). Eligible members may receive outpatient speech therapy (ST) benefits for the purposes of Habilitation **in addition to** Rehabilitation.

### Definition

The Colorado Division of Insurance has defined Habilitative services to be:

*Services that help a person retain, learn, or improve skills and functioning for daily living that are offered in parity with, and in addition to, any rehabilitative services offered in Colorado's Essential Health Benefits (EHB) benchmark plan. Parity in this context means of like type and substantially equivalent in scope, amount, and duration.*

### Benefit Limitations

Eligible members may not receive both Rehabilitative and Habilitative speech therapy services on the same date of service (DOS). All Habilitative speech therapy services require a prior authorization request (PAR). Rehabilitative and Habilitative ST is limited to five (5) units per DOS. Rehabilitative speech therapy services, available to all members, does not need a PAR. Instructions for submitting a PAR are below.

### Additional Limitations and Notes

- Habilitative therapies are not an Inpatient or Home Health benefit.
- Habilitative therapies are not a benefit if provided in nursing facilities; Rehabilitative PT, OT, ST will remain benefits.
- Habilitative therapies should not to be confused with Habilitation services found within Home and Community Based Services (HCBS) waivers.

## Daily Unit Limits

Rehabilitative or Habilitative ST is limited to five units per DOS. Some specific daily limits per procedure code do apply. Please see the table below.

While a maximum of five units of service is allowed per date of service, providers are required to consult the American Medical Association's (AMA) Current Procedural Terminology (CPT) manual for each coded service. Some codes represent a treatment session without regard to its length of time (1 unit maximum) while other codes may be billed incrementally as "timed" units.

Members determined to need a speech generating device (HCPCS codes E2500, E2502, E2504, E2510, E2211, E2512 and E2599) should be referred to a Medicaid participating medical supplier to be prior authorized.

All claims must meet eligibility and claim submission requirements (e.g. timely filing, third party resources payment pursued, required attachments included, etc.) before payment can be made.

## **National Correct Coding Initiative (NCCI)**

National Correct Coding Initiative Procedure-To-Procedure (PTP) and Medically Unlikely Edits (MUE) edits apply to certain combinations of speech therapy procedure codes. Please refer to the [Medicaid.gov](https://www.medicicaid.gov) website on NCCI edits for a complete list of impacted codes, guidance on bypass modifier use, and general information.

### **Prior Authorization Requests (PARs) – Habilitative Speech Therapy Only**

Independent speech therapists and outpatient hospital based therapy clinics providing Habilitative speech therapy must submit, and have approved, PARs for medically necessary services prior to rendering the services.

Prior Authorization Requests are approved for up to a twelve (12) month period (depending on medical necessity determined by the authorizing agency).

- Retroactive PAR requests will not be accepted.

- Overlapping PAR request dates for same provider types will not be accepted.
- Incomplete, incorrect or insufficient member information on a PAR request form will not be accepted.

Submit PARs for the number of units for each specific procedure code requested, not for the number of services. Modifiers must be included on both the PAR and claim submission. When submitting a PAR for either rehabilitative or habilitative services, the procedure codes must include the GN or GN + HB modifiers (e.g. 92507+GN+HB).

**PAR requests must include:**

- Legibly written and signed ordering practitioner prescription, to include diagnosis (preferably with ICD-10 code) and reason for therapy, the number of requested therapy sessions per week and total duration of therapy.
- The member's Physical or Occupational treatment history, including current assessment and treatment. Include duration of previous treatment and treating diagnosis.
- Documentation indicating if the member has received PT or OT under the Home Health Program or inpatient hospital treatment.
- Current treatment diagnosis.
- Course of treatment, measurable goals and reasonable expectation of completed treatment.
- Documentation supporting medical (physical NOT developmental) necessity for the course and duration of treatment being requested.
- Assessment or progress notes submitted for documentation, must not be more than sixty (60) days prior to submission of PAR request.
- If the PAR is submitted for services delivered by an independent therapist, the name and address of the individual therapist providing the treatment must be present in field #24 of the PAR.
- The billing provider name and address needs to be present in field #25 on the PAR.
- The Colorado Medical Assistance Program provider number of the independent therapist must be present in PAR field #28.
- The billing provider's Colorado Medical Assistance Program number must be present in field #29 of the PAR.

The authorizing agency reviews all completed PARs and approves or denies, by individual line item, each requested service or supply listed on the PAR. PAR status inquiries can be made through the [Web Portal](#) and results are included in PAR letters sent to both the provider and the member. **Read the results carefully as some line items may be approved and others denied. Do not render or bill for services until the PAR has been processed.**

The claim must contain the PAR number for payment.

Approval of a PAR does not guarantee Colorado Medical Assistance Program payment and does not serve as a timely filing waiver. Prior authorization only assures that the service is considered a benefit of the Colorado Medical Assistance Program. All claims, including those for prior authorized services, must meet eligibility and claim submission requirements (e.g. timely filing, third party resources payment pursued, required attachments included, etc.) before payment can be made.

If the PAR is denied, providers should direct inquiries to the authorizing agency:

[ColoradoPAR Program](#)

Provider Prior Authorization (PAR) Vendor for the Colorado Medical Assistance Program

Provider PAR Line: 888-801-9355

PAR Fax Line: 866-940-4288

The Colorado Medical Assistance Program PAR forms are available in the Provider Services [Forms](#) section or by contacting the ColoradoPAR Program at 888-801-9355 (toll free).

Providers can fax documents to the ColoradoPAR Program at 866-940-4288. Documents that may be compromised by faxing can be mailed to:

## **Billing Information**

### **National Provider Identifier (NPI)**

The Health Insurance Portability and Accountability Act (HIPAA) requires that covered entities (i.e., health plans, health care clearinghouses, and those health care providers who transmit any health information electronically in connection with a transaction for which the Secretary of Health and Human Services has adopted a standard) use NPIs in standard transactions.

### **Paper Claims**

Electronic claims format shall be required unless hard copy claims submittals are specifically prior authorized by the Department. Requests for paper claim submission may be sent to the Department's fiscal agent, Xerox State Healthcare, P.O. Box 90, Denver, CO 80201-0090. The following claims can be submitted on paper and processed for payment:

- Claims from providers who consistently submit 5 claims or fewer per month (requires prior approval)

- Claims that, by policy, require attachments
- Reconsideration claims

Paper claims do not require an NPI, but do require the Colorado Medical Assistance Program provider number. In addition, the UB-04 Certification document must be completed and attached to all claims submitted on the paper UB-04. Electronically mandated claims submitted on paper are processed, denied, and marked with the message "Electronic Filing Required".

## Electronic Claims

Instructions for completing and submitting electronic claims are available through the following:

- X12N Technical Report 3 (TR3) for the 837P, 837I, or 837D ([wpc-edi.com/](http://wpc-edi.com/))
- Companion Guides for the 837P, 837I, or 837D in the Provider Services [Specifications](#) section of the Department's Web site.
- Web Portal User Guide (via within the portal)

The Colorado Medical Assistance Program collects electronic claim information interactively through the Colorado Medical Assistance Program Secure Web Portal ([Web Portal](#)) or via batch submission through a host system. For additional electronic information, please refer to the Medicaid Provider Information manual located on the Department's website (<https://www.colorado.gov/hcpf/billing-manuals>)

## Procedure/HCPCS Code Overview

The codes used for submitting claims for services provided to Colorado Medical Assistance Program members represent services that are approved by the Centers for Medicare and Medicaid Services (CMS) and services that may be provided by an enrolled Colorado Medical Assistance Program provider.

The Healthcare Common Procedural Coding System (HCPCS) is divided into two principal subsystems, referred to as level I and level II of the HCPCS.

Level I of the HCPCS is comprised of CPT, a numeric coding system maintained by the AMA.

The CPT is a uniform coding system consisting of descriptive terms and identifying codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes, such as ambulance services and durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) when used outside a physician's office. Level II codes are also referred to as alpha-numeric codes because they consist of a single alphabetical letter followed by 4 numeric digits, while CPT codes are identified using 5 numeric digits.

HIPAA requires providers to comply with the coding guidelines of the AMA CPT Procedure Codes and the International Classification of Disease, Clinical Modification Diagnosis Codes. If there is no time designated in the official descriptor, the code represents one unit or session. Providers should regularly consult monthly bulletins located in the Provider Services [Bulletins](#) section. To receive electronic provider bulletin notifications, an email address can be entered into the Web Portal in the *(MMIS) Provider Data Maintenance* area or by filling out a publication preference form. Bulletins include updates on approved procedure codes as well as the maximum allowable units billed per procedure.

## **UB-04 Paper Claim Reference Table**

Speech therapy outpatient hospital paper claims must be submitted on the UB-04 claim form.

The information in the following table provides instructions for completing Form Locators (FL) as they appear on the UB-04 paper claim form. Instructions for completing the UB-04 claim form are based on the current *National Uniform Billing Committee (NUBC) UB-04 Reference Manual*. Unless otherwise noted, all data FLs on the UB-04 have the same attributes (specifications) for the Colorado Medical Assistance Program as those indicated in the *NUBC UB-04 Reference Manual*.

All code values listed in the *NUBC UB-04 Reference Manual* for each FL **may not** be used for submitting paper claims to the Colorado Medical Assistance Program. The appropriate code values listed in this manual must be used when billing the Colorado Medical Assistance Program.

The UB-04 certification must be completed and attached to all claims submitted on the UB-04. A copy of the certification form is included with this manual. Completed UB-04 paper Colorado Medical Assistance Program claims, including hardcopy Medicare claims, should be mailed to the correct fiscal agent address located in Appendix A of the Appendices section in Provider Services [Billing Manuals](#).

Do not submit "continuation" claims. Each claim form has a set number of billing lines available for completion. Do not crowd more lines on the form. Billing lines in excess of the designated number are not processed or acknowledged. Claims with more than one page may be submitted electronically.

The Paper Claim Reference Table below lists the required, optional and/or conditional form locators for submitting the UB-04 paper claim form to the Colorado Medical Assistance Program for speech therapy services.

Instructions for completing and submitting electronic claims are available through the X12N Technical Report 3 (TR3) for the 837I ([wpc-edi.com](http://wpc-edi.com)), 837I Companion Guide (in the Provider Services [Specifications](#) section of the Department's website), and in the Web Portal 837I User Guide (via within the portal).

The Late Bill Override Date (LBOD) allows providers to document compliance with timely filing requirements when the initial timely filing period has expired. Colorado Medical Assistance Program providers have 120 days from the date of service to submit their claim. For information on the 60-day resubmission rule for denied/rejected claims, please see the General Provider Information manual in the Provider Services [Billing Manuals](#) section.

Making false statements about timely filing compliance is a misrepresentation and falsification that, upon conviction, makes the individual who prepares the claim and the enrolled provider subject to fine and imprisonment under state and/or federal law.
